## FISCAL ANALYSIS

### ASSUMPTION

Officials from the **Department of Insurance, Financial Institutions, and Professional Registration** assume the proposal would have no fiscal impact on their agency.

Officials from the **Department of Health and Senior Services (DHSS)** state the proposed legislation requires the DHSS to provide oversight of compliance with proposed Section 334.1100. The DHSS currently reviews the qualifications of other healthcare professionals during inspections at hospitals and ambulatory surgical centers. Adding surgical technologists would be an extension of the review already being performed. Therefore, the DHSS believes the review can be completed with existing staff. The DHSS assumes no fiscal impact for the proposed legislation.

No hospitals responded to **Oversight's** request for a statement of fiscal impact.
